SS23 Ethical Apparel Collection

We are super stoked to invite you to The Cul-de-Sac Crew!

We are super stoked to invite you to The Cul-de-Sac Crew!
The Cul-De-Sac Crew shares with your family the easy joys
of our very own 80's and 90's pre-internet childhood.

Reminiscing on the days when we played outside all day and
ran home when the streetlights came on. When we bombed
hills on skateboards, spent endless days outdoors and at the
beach. Climbed trees, crashed bikes, scraped knees, camped
out on trampolines, and read books in our favorite secret
spots til' the neighborhood kids came knocking.

Featured in the softest GOTS certified organic cotton and
recycled bathing suit materials, the Cul-De-Sac crew is an
ethical mix + match capsule collection. Made in Portugal,
with a play-all-day fit and timeless vibe, it encapsulates
gender and age-neutral colors and styles, and is trans-
seasonal too!

The Cul-de-Sac Crew is waiting for You!

With Love,
JANET
