DÉT
DENMARK

Welcome to our little crawling universe.

Wishing for the best start,
is the biggest passion of DÉT DENMARK.

Living in a nordic home with many slippery floors
can make crawling a big challenge for a baby.

Thanks to crawling clothes with Anti-slip print,
wooden floors and slippery tiles are no longer a problem when learning to crawl.

All of a sudden, crawling can become easy peasy.

We hope that you enjoy the collection as much as we do.

With love
